Agenda

Welcome and Introductions

Notes:

Committee members provided their names and role for the group.

Overview of Process

Notes:

Dr. Anderson provided an overview of team members and processes. Dr. O'Bannon shared the list of committee members and described their roles for the committee work. Dr. Anderson stated the purpose and work of the committee: to determine the need for handbook updates from the lens of the committee members. He then described the subcommittee process, where most of the work will take place. He discussed the voting process that will occur if the committee cannot find consensus on any recommendation. Dr. O'Bannon reviewed the subcommittee feedback protocol with the committee. Dr. Anderson then provided a brief discussion of the ADIA process, which will occur toward the end of the SSBIH Committee process.

Sub-committee Roles and Responsibilities

Notes:

Dr. Anderson presented an overview of the process to the participants. He emphasized the importance of the subcommittee work, where leads engage in discussions with their peers to gather feedback and ensure equal representation.

Norms and Process

Notes:

Dr. Anderson briefly reviewed central norms.

Areas to review

Notes:

Dr. Anderson provided an overview of what the committee will review, as well as additional areas out of the committee's scope. Dr. Anderson then presented Superintendent Yearwood's 2-fight policy plan for the committee's review, along with supporting research. Committee members were given time to discuss the policy at their tables, and a member from each table shared feedback with the group.

Adjournment/Next Steps

Notes:

The following items will need to be completed by our next meeting:

- Leads will be charged with solidifying role group membership
- Seek initial feedback on 2 fight plan from role groups.
- Review handbook and role group feedback.
